Chapter I: General Principles

1. Introduction

1.1 Event Manual

In this event manual Virtus outlines the basic requirements for interested National Member Organisations to become the organiser of the Virtus Basketball Global Games/World Championships/Regional Championships for men and women and represents the key organisational processes to stage a successful event.

In addition to the event manual, all provisions of the FIBA Competitions Regulations and Bye-Laws, as well as the FIBA Internal Regulations and Official Basketball Rules, are valid in their entirety.

1.2 Governing Body

The Board of Virtus has the exclusive right and authority to decide the organisers and the exact dates of the Virtus Basketball Global Games/World Championships/Regional Championships.

1.3 Candidate

Within the deadline set by Virtus, all National Member Organisations are entitled to submit their candidature to organise the competition of the division to which they belong.

The organisers shall abide by all pre-requisites described herein this event manual for Virtus Basketball Global Games/World Championships/Regional Championships (men and women).

1.4 Duties of Virtus

Virtus must do all in its power to see that a competition organised under its auspices will be successfully carried out and that Virtus is represented by competent persons, maintaining absolute impartiality.

Virtus is obliged to assist the organiser by all means at its disposal. However, Virtus may demand of the organiser the reimbursement of expenses caused by its action.

1.5 Duties of the Organiser

The organiser must do everything in its power to meet all the requirements and obligations stated in this event manual.

The organiser shall acquire sufficient civil liability insurance to cover any eventuality during the period of the event plus two (2) days. The official representative of the organiser must be present during the whole duration of the tournament.

2. Competitions

2.1 Competition Cycle

1. Year 1 (2020) and Year 3 (2022) - The Virtus Regional/Sub-Regional Championship for men and women shall be divided into three Divisions (II, II2 and II3) and shall be held every two (2) years.
2. Year 2 (2021) - The Virtus World Championship for men and women shall be divided into three Divisions (II, II2 and II3) and shall be held every four (4) years.
3. Year 3 (2023) - The Virtus Global Games for men and women shall be divided into three Divisions (II, II2 and II3) and shall be held every four (4) years.
4. Year 4 (2024) - The Paralympic Games shall be held every four (4) years.

2.2 Participants

1. The II Eligibility Group will be composed of a maximum of sixteen (16) pre-qualified teams from the II Category.
2. The II2 Eligibility Group will be composed of a maximum of sixteen (16) pre-qualified teams from the II2 Category.
3. The II3 Eligibility Group will be composed of a maximum of sixteen (16) pre-qualified teams from the II3 Category.

2.3 Venues

All games of the event will be played within the territory of the host country at preferably one (1) venue, but never more than three (3) venues.

Section 7: Sport and Championship Specifications

7.3a Sport and Virtus Championship Specifications – Basketball

2.4 Registration of the Teams

A circular letter (A.) with the online entry platform (B.) will be sent to the National Member Organisations in order to register for the respective Virtus Championship.

The deadline for the registration of the teams to be received by the offices of Virtus will be given by Virtus.

- A. The above-mentioned circular letter will contain the following information.
 1. Detailed information on the possible composition of the teams.
 2. Detailed financial obligations of the participating teams and the organiser.
- B. The above-mentioned online entry platform will contain the following conditions.
 1. Deadline of the binding registration.
 2. Unconditional request to respect the decision of the Governing Board of Virtus regarding the result of the draw.
 3. To accept the dates of the Championships
 4. To provide Virtus and the organisers by the given deadlines with all of the necessary information which will assist with the promotion of the Championship.
 5. To respect all provisions of the Virtus Event Manual as well as the FIBA Internal Regulations and Competitions Regulations and By-Laws.

2.5 Competition System

As stated in the Virtus 2020-2023 Basketball Technical Guide and FIBA Internal Regulations and Competitions Regulations and By-Laws.

2.6 Game Schedule

After the Draw, the game schedule will be proposed by the organiser in conjunction with Virtus for approval by a given deadline. The following shall be considered while preparing the game schedule.

1. The teams should not play each day at the same time (balanced allocation).
2. The teams playing the last game should not play the first game the following day.
3. The games should be scheduled at least two (2) hours and fifteen (15) minutes apart.
4. Twenty (20) minutes warm up time should be guaranteed to the teams.

An additional detailed document named “Scheduling guidelines” will be sent to the organiser after the Draw in order to assist with the proposal for the schedule.

2.7 Practice Schedule

The practice schedule will be prepared in conjunction with Virtus and in accordance with the approved game schedule and announced to all participants.

The following shall be considered while preparing the practice schedule:

1. Before the Championship starts, each team shall be able to hold at least one (1) practice in the gym where the games will be played.
2. The practice schedule shall reflect as much as possible the game schedule (play first – practice first).
3. All teams shall receive the same amount of practice time with the same conditions. However, the practice time provided per team must be no less than forty-five (45) minutes.

3. The Draw

3.1 Venue

The Draw for the Virtus Basketball Global Games/World Championships/Regional Championships will be held in the host country of the championships or at a venue decided by Virtus.

The Draw will be held no later than four (4) months before the start of the event. Virtus shall decide the exact date and place. Approximately one (1) month before the Draw is to take place, Virtus will send an invitation to attend the Draw to all of the participating teams. The invitation letter will contain the following information:

1. The names of the participating teams.
2. The exact date and time of the Draw.
3. The exact venue (city, place) where the Draw will be held.
4. The deadline for the registration of the participants for the Draw.
5. The financial conditions under which the representatives of the participating teams may register for the Draw.
6. The contact details of the organiser.

3.2 General Conditions

The organiser will be responsible for:

1. The staying expenses for all designated Virtus representatives and staff members.
2. The provision and payment of the general organising expenses connected to the organisation of the Draw as follows:
 - a. The renting of a venue with sufficient capacity for fifty (50 persons) persons equipped with a suitable sound/video system.
 - b. The provision of the transport for the participants to and from their hotel to the place where the Draw will be held.
 - c. The provision of the equipment for the Draw: podium with table(s) and chairs, bowls, lots, names of the participating teams, etc.
 - d. The provision of the technical equipment for the Draw: projector/beamer, screen, printer and high-speed copy machine.
 - e. The provision of a broadband internet connection permitting the Draw to be broadcast live by video on the Virtus website.
 - f. The provision of all of the necessary equipment for a Virtus press conference.

Chapter II: Operational and Organisational Structure

4. Communication with Virtus

The organiser and Virtus shall strive for the most efficient communication, as it is essential for the success of the organisation of the event.

4.1 Organiser Responsibilities

The organiser will ensure that:

1. Virtus will be provided with an organigram where positions such as general managers and responsible persons for competition, transport/hotel, IT, medical care, media and marketing are listed.
2. Each organiser staff member has a mobile telephone and an e-mail address. The contact list must be communicated to Virtus as soon as it is available and must be regularly updated.
3. The organiser's office is set up and running efficiently at least six (6) months before the start of the event.
4. Each request/question from Virtus must be addressed in a timely and efficient manner within three (3) working days.

4.2 Organiser Provisions

The organiser will ensure the following is provided to the Virtus staff prior to their arrival:

1. A telephone list of all persons involved in the tournament (organiser, team attachés, IT, transportation, hotel managers, medical care manager, etc).
2. Accreditations for Virtus staff.
3. Information about transportation services and meal times for Virtus staff.
4. Information about side and social events.

4.3 Virtus Responsibilities

Virtus will ensure that:

1. After the first Virtus site visit a report is to be prepared within fourteen (14) working days, outlining what the organiser should accomplish by the beginning of the event.
2. Virtus staff members are available for the relevant support in the preparation and organisation of the event; the contact details will be communicated to the organiser.
3. All organiser's requests/questions are addressed rapidly, within three (3) working days.
4. The organiser is copied on all important communications.

4.4 Event Questionnaire

Once the event is concluded, the organiser shall complete the event questionnaire provided by Virtus and submit it within one (1) month after the conclusion of the tournament.

5. Organisation of staff

It is highly recommended that the following staff are specialised in their fields, preferably professional, and always hold the same position throughout the Championship.

5.1 Table Officials and Statisticians

The table officials shall have the following qualifications:

- A team of four (4) people for each game. During the first days one (1) additional table official per game will be required to complete the paper scoresheet and be available for as long is deemed necessary by the crew chief commissioner during the competition.
- Sufficient number of staff to ensure that the same persons are not on duty for more than two (2) games per day.
- Specially trained for the duty.
- Have experience with high-level games.
- Each group has to have at least two (2) people, who speak fluent English.
- Have experience with the equipment in use.
- Virtus reserves the right to substitute these officials if they are not of a sufficient standard.

Table officials and statisticians should be provided with a fixed amount of polo shirts, which must be worn during the entire event. Generally the table officials and statisticians should be properly dressed (no shorts, flip-flops, etc).

The statisticians must have the following qualifications:

- A minimum team of two (2) people for each game.

Section 7: Sport and Championship Specifications

7.3a Sport and Virtus Championship Specifications – Basketball

- Sufficient number of staff to ensure that the same persons are not on duty for more than two (2) games per day.
- Specially trained for the duty.
- Have experience with high-level games.
- Each team has to have at least one (1) person, who speaks fluent English.

The Local Organising Committee is obliged to provide Virtus with the final list of appropriately qualified statisticians nominated for the event at least six (6) weeks before the event. In case this requirement is not met, Virtus reserves the right to nominate statisticians from other countries. In this case all costs (flights / transportation, accommodation, meals as well as a fee per game) has to be covered by the Local Organising Committee.

5.2 Venue Staff

All venue staff (security, technical, cleaning, etc) must be at the organiser's disposal during the event and must provide all the necessary service, support and assistance.

5.3 PA (Public Announcement) Staff

The organiser shall ensure:

- Sufficient number of staff in order to rotate each game.
- Sufficient fluency in English.
- Respecting the general script of pre-game announcement protocol.

5.4 Volunteer Support

At many important events, the volunteer support raises the quality of the organisation. Therefore, it is highly recommended to allocate volunteers regardless of the level of the organisation.

The volunteers shall be chosen and trained before the event starts. It is highly recommended to give the volunteers promotional material after the event, such as t-shirts, towels, key rings, caps, etc, and a certificate.

The volunteer support can assist in the following services:

1. Team Attachés: people assisting the team during the event (one (1) per team). (See Article 6.1 below).
2. Referees and VIPs Attachés: people assisting the referees/VIPs during the event.
3. Hotel Information Desk: people working at the information desk in the official hotels giving information about the hotel, transport, etc, (two (2) people in each hotel).
4. Court Monitors (Ball Boys/Floor Wipers): people working on the court in order to provide balls for the players during the warm-up, the games and at half-time. They are responsible for keeping the playing surface clean and dry. They should check the floor conditions during timeouts and pauses in the game and be responsible for the game and practice balls, (four (4) people).
5. Statistical Services: printing and distribution of game statistics.
6. Media Operations: people working at the media centre and media tribunes in order to help the accredited journalists and photographers.
7. Accreditation Services: people working at the accreditation desk (two (2) people).
8. Transport Service: people providing transport for the accredited people (one (1) person).
9. Translators: people helping the teams with translations during the event.

6. Organisation of services

6.1 Team Attachés

- There will be at least one (1) team attaché for each country participating in the Championship.
- It is recommended to provide attachés for commissioners, referees, referee instructors and VIP guests.
- The team attaché shall preferably speak the mother tongue (native language) of the teams but if no such attaché is available, the organiser must select a guide who can speak advanced English.
- It shall be coordinated with the participating countries which languages they would prefer in case a team attaché with their mother tongue (native language) cannot be provided.
- It is highly recommended that the team attachés stay at the same hotel as the team and have standard clothing, so they may be recognised easily. Since the team attachés will maintain the communication between the participating teams and the organiser, they shall have the following qualifications:
 - They shall be young enough to have the energy this position requires and also mature enough to handle the necessary responsibilities.

Section 7: Sport and Championship Specifications

7.3a Sport and Virtus Championship Specifications – Basketball

- They shall be able to speak and understand a third language (preferably English) in addition to the languages of the organising country and the country to which they are assigned.
- They shall have a basic knowledge of the country to which they are assigned and also its customs, habits, etc.
- They shall be equipped with mobile phones.

The contact details of the attachés shall be included in the official contact list.

6.2 Health Services

The attention to any kind of injury that may occur during the games or practices, or the transportation to a hospital is the organiser's responsibility. Therefore, the organiser cannot charge the involved party or team for any services provided.

Additional information concerning other medical problems and the financial responsibilities shall be announced to the teams either in writing or during the first technical meeting.

1. The organisation shall assign a twenty-four hour (24hr) on-call doctor to provide medical advice.
2. During the games, at least two (2) health officials and, during the practices, at least one (1) health official, as well as an ambulance must be present.
3. Health officials shall be doctors, paramedics, nurses and ambulance drivers and shall be fully trained and equipped to perform first aid and use defibrillators.
4. Health officials shall be located in an area that is clearly visible and easily accessible from all over the venue since they will also assist the spectators if necessary.
5. There shall be a first aid team near the court, in addition to a first-aid room in the venue.
6. Each delegation must receive information in written form regarding all the fully-equipped hospitals in the area.
7. The procedure regarding the "Virtus Emergency Action Plan" will be explained at the first technical meeting.

6.3 Game Recording Policy

1. The organiser will produce a copy of each game of the entire tournament. Any cost involved in undertaking this shall be announced to the participating teams prior to their arrival in the Bulletin and can/shall be transferred to the organiser together with the team's contribution for the accommodation. Any additional information regarding the recording and distribution of games shall be announced during the first technical meeting.
2. The organiser should guarantee to make available copies of the games of the teams that will be the next opponents as soon as possible, but no later than midnight on the evening of the game taking place.
3. All other games will be made available as soon as possible upon request but with priority given to the above mentioned games.
4. The organisers will provide the referee instructor(s) with copies of the games within three hours of the end of the game (for earlier games and where the referee instructor is on-site) and no later than midnight on the evening of the games taking place for later games.
5. Virtus will receive one (1) complete set of game recordings at the end of the tournament from the organiser.

Chapter III: Venue Infrastructure

7. General Principles

The travel time from the hotel(s) to the competition and training venue(s) shall not exceed twenty (20) minutes. Working air- conditioning is mandatory in all of the playing halls. Under exceptional circumstances, powerful mobile air- conditioning devices can be used to cool the court area after approval by Virtus.

A practice court that is not one of the competition courts must additionally be available for practice if required by Virtus.

8. Playing Court and Practice Court

The playing and practice court must be as stated in the Official Basketball Rules.

Beyond the end lines and side lines there shall be a further boundary line, two (2) metres wide which should be in a sharply contrasting colour to the playing courts.

All spectators must be seated at a distance of at least five (5) meters from the outer edge of the boundary line of the playing court. Note: All lines apart from the official basketball lines must be covered with non-slip material (adhesive tape or foil, etc) to match the colour of the wooden floor or removed completely. Please see also the court layout in the attachment (Annex I).

9. Around the Playing Court

9.1 Scorer's Table

A scorer's table shall be a minimum of six (6) meters in length and eighty (80) centimetres in height and must be placed on a podium/platform (recommended height 20cm) and wide enough to accommodate chairs for one (1) commissioner, four (4) table officials and one (1) standby referee (care should be taken that this podium should not obstruct views, so it may have to be reduced in height depending on the venue).

The scorer's table should be equipped with enough electrical outlets for the technical equipment, laptop being used for the digital scoresheet, monitor for the Commissioner, etc.

Wired internet connection should be available (min. DSL) for the digital scoresheet laptop.

One (1) printer (preferably colour laser printer) shall be provided for the printing of the scoresheet following the game. This printer can be shared with the statisticians if necessary.

9.2 Statistics Table

There shall be a working table for the statisticians (2-3 people) and their equipment which should be placed at the best angle to see the court, preferably behind the scorer's table.

If required, there must be enough space at/or close to the statistics table for two (2) TV graphics operators and equipment.

1. Recommended to be in the first row behind the scorer's table on a raised platform which is higher than the scorer's table (by 20-30cm) if this table is raised.
2. If this is not possible, due to specific conditions in an arena, it can be in line with the scorer's table.
3. The statistics table has to be equipped with enough electrical outlets, which will be necessary for the statistical systems.
4. One (1) laptop and one (1) fast printer (preferably b/w laser printer) shall be provided.
5. Broadband internet connection shall be available (min. DSL).

9.3 Team Benches

There shall be team benches on the same side as the scorer's table: There must be seats for a maximum of sixteen (16) persons. A small table for drinks/team equipment and a rubbish bin should be positioned next to the team benches.

9.4 Substitution Chairs/Benches

There shall be two (2) substitution chairs/benches on both sides of the scorer's table (four (4) in total, two (2) on each side of the table).

Section 7: Sport and Championship Specifications

7.3a Sport and Virtus Championship Specifications – Basketball

9.5 Medical and Anti-Doping

There shall be sufficient space for a minimum of two (2) first-aid/medical staff to be seated court-side.

In addition, there must be sufficient space for a minimum of two (2) anti-doping chaperones to be seated close to the team exit following the game in the case where the event is subject to doping control.

The doping-control officer shall be seated on court level with good view of the playing court and with quick access to the team benches.

9.6 Court-side advertising

The advertising boards must be placed outside the further boundary line (two (2) metres), which surrounds the court in accordance with the court layout drawing provided in Annex 1. The majority of advertising boards should be arranged in main camera-view and should include the specific signage as requested by Virtus.

Those along the end lines must have a minimum gap of 90cm on each side of the mobile backstop units so that floor wipers and/ or players can pass through if necessary.

For more information please refer to chapter VI.

9.7 Backboards

1. The backboards must be according to the Official Basketball Rules.
2. Dimensions are 1.80 m x 1.05 m.
3. Shall have padding on the lower surface.
4. There shall be at least two (2) spare backboards available with rings already attached and identical to the original backboards.
5. The staff at the gym shall practise changing the spare backboard before the event starts.
6. The backboards shall be equipped with both red LED lighting around the perimeter and yellow LED lighting along the top of the backboard that are connected to the scoreboard and shot clock respectively and are functioning according to the Official Basketball Rules.

9.8 Backboard Support Structure and Rings

1. The backboard support structures and rings must be according to the Official Basketball Rules.
2. There should be one (1) chair next to each backstop unit for floor wipers.
3. The rings shall be able to flex when any force is applied to them.
4. Rings must be painted orange and have a net.
5. The nets shall be correctly attached and there shall be a minimum of two (2) pairs of spare nets.
6. The staff at the gym shall practise changing the spare net before the event starts.

9.9 Game Clock and Scoreboard

1. The game clock and scoreboard must be according to the Official Basketball Rules.
2. On both walls behind both of the backboards, there shall be two (2) synchronised electronic scoreboards. In case there is a scoreboard (cube) placed above the centre of the playing court, only one (1) duplicate scoreboard on the opposite side of the players' benches, clearly visible to both teams, will be sufficient.
3. The functions of both electronic scoreboards are as follows:
 - a) A clock which shows the game time with a countdown (with the ability to show the last-minute seconds and tenths of a second)
 - b) Displays game score
 - c) Displays number of periods
 - d) Displays number of charged time-outs
 - e) Displays number of personal fouls
 - f) Displays number of team fouls.
4. The signal for the timer (the end of playing time) shall be sufficiently powerful to be easily heard above the most adverse or noisy conditions.

Note: An interface to the broadcast graphics system is required. The organiser has to ensure that all relevant information (interface and protocol description) is provided to Virtus at least two (2) months before the event. This applies both to the game clock/scoreboard and the 24-second device.

9.10 Shot Clock

1. There shall be a shot clock panel installed above each backboard according to the Official Basketball Rules. The back-up solution are four (4) shot clock devices placed in the corners of the court on ground level outside of the further boundary area.
2. The game clock shall be also displayed on the shot clock panel. The shot clocks must be able to display tenths of seconds in the last 5 seconds of the shot clock. A yellow LED light on top of the backboard must be installed and must be indicating the end of the shot clock.
3. There shall be a separate sound signal with distinctly different sounds than those of the game clock and very loud sounds for the end of the twenty-four (24) seconds.
4. There shall be at least two (2) spare shot clocks (suitable for the current system).
5. The staff at the gym shall practice changing a shot clock before the event starts.
6. The shot clock shall NOT be connected to the game clock. That is, when it reaches zero (0) and the signal sounds, it shall NOT automatically stop the game clock.

9.11 Referee instructor position

- Table with 2 chairs.
- It shall be equipped with enough electrical outlets (minimum 3).
- Excellent WiFi connection

9.12 Other Technical Equipment

1. Player foul markers: according to the Official Basketball Rules.
2. Team foul markers: according to the Official Basketball Rules.
3. Alternating possession arrow: according to the Official Basketball Rules.
4. Stopwatch & table type chronometer: one (1) piece each.
5. Ball and ball carriers: as stated in the Official Basketball Rules. At least twelve (12) balls shall be provided for each team during practices (six (6) balls during games), Molten balls and ball carriers.

10. Changing Rooms

The changing rooms must be completely cleaned after the departure of the last person. A security person must be present and always in close proximity.

10.1 Team Changing Rooms

There shall be an easy, short and secure access route from the changing rooms to the playing court. There will be a minimum of four (4) fully equipped changing rooms for the teams with the same standards and dimensions. Each changing room shall meet the following requirements for each game:

- Five (5) separate showers and toilets with sufficient rolls of paper for each toilet.
- Washbasins with soap.
- Synthetic or tiled floor.
- Door locks shall function well.
- Windows with railings and curtains or painted windows.
- Benches or chairs for minimum twelve (12) persons.
- One (1) tactic board with marker and eraser.
- Hangers or lockers.
- Rubbish bins.
- Ice and bottled water.
- One (1) massage table.
- Mirrors (wall).

Drinking Water Supply for the Teams:

Drinking water for each team to use during games and practices will be provided free of charge by the organiser during the official Championship period (from the first to the last day of the competition plus two (2) days).

It is highly recommended not to charge any fee for the drinking water to teams, which arrive before the official Championship period and wish to have practices.

All drinking water will be industrially bottled still water, not tap water. The following amount of drinking water will be provided:

Section 7: Sport and Championship Specifications

7.3a Sport and Virtus Championship Specifications – Basketball

For each team to use during the practices:

- At least twelve (12) bottles of 1.5 litres of STILL water for players (1.5 litres per player).
- At least six (6) bottles of 0.5 litres still water for the team staff members.

For each team to use during the games:

- At least twenty (20) bottles of 1.5 litres STILL water for players (2.5 litres per player).
- At least six (6) bottles of 0.5 litres still water for the team staff members.

If there is an exceptional increase of temperature, then this amount may also increase by the decision of Virtus. It is recommended to keep the still water cold if the weather is hot.

Ice Supply for the Teams:

1. The organiser will determine the ice needed by the teams during the games and practices.
2. The teams' ice requirements can be met with an ice machine set up at the gym and by the teams' hotel free of charge. It shall be announced to the teams during the first Technical Meeting how the ice will be obtained at each location.
3. The ice shall be standard sized and cubed. The ice obtained by freezing water in bottles cannot be used for this purpose. In the event that there is one or more commercial partner(s) in the isotonic/soft drink/water/towel categories then it is possible that they will supply the necessary products and equipment.

10.2 Referees' Changing Rooms

The room shall meet the following requirements for each game:

- Minimum size of ten (10) square metres.
- Benches or chairs for four (4) persons.
- One (1) table.
- Rubbish bin.
- Industrially bottled drinking water (1.0 litre per official per game) with sufficient paper cups.
- Doors locks should function well.
- WiFi internet connection.

10.5 First Aid Room

The first aid room shall enable first aid as well as normal preventive medical consultation to be given and should be within easy access from all other facility areas within the venue. The first aid room for players shall be situated so that it is easily accessible by the emergency services from outside the arena as well as from the playing court itself and from other areas.

1. Access shall be possible from the ground floor and shall be free of any obstacles or obstructions in order to ensure that any injured player can be taken there quickly
2. Trolley stretchers shall be available in each of the first aid rooms
3. The first aid room shall be adequately equipped and shall have a minimum dimension of thirty (30) square metres
4. The furniture and equipment shall include:
 - A bed for medical examinations, approximately 2.40 metres long and 0.60 metres wide.
 - A desk.
 - A wardrobe and a coat rack.
 - An oxygen cylinder with the relevant equipment for manual resuscitation.

10.6 Ambulance Standby Area

This area shall be located close to the playing court, the training area as well as the first aid room. There must be an ambulance together with qualified personnel available during all practices and games.

10.7 Doping Control Station

The doping control station must be equipped as stated in the current Virtus Anti-Doping Policy and In-Competition Testing Policy and FIBA Internal Regulations Governing Anti-Doping. Doping control signs must be clearly posted in all areas leading to the Doping Control Station.

In the area where doping control will take place there shall be various beverages available to the players in the doping control room.

1. All water available must be industrially bottled drinking water, not tap water.
2. There shall be a wide variety of beverages.
3. There shall be no limit on consumption.
4. It shall be possible to serve the beverages cold if there is such a demand.
5. All beverages shall be in unopened cans or glass bottles.

Note: Virtus reserves the right to carry out doping controls during all Championships.

- Security control for non-accredited people.
- Catering service.

11.4 Cleaning Services

After each game and at the end of each day, the players' and referees' locker rooms, the offices, and all other areas shall be cleaned. Cleaning services must be co-ordinated by the organiser.

12. Services

12.1 Lighting

Lighting will be provided with the lux rating determined by Virtus and will be required for broadcasting during the games. The organiser must guarantee to:

1. Check all the lights in the gym and fix the broken ones.
2. Have an alternate energy source ready so play may be continued in case of a power outage.
3. Have an uninterruptable power supply (UPS) for the scoreboard in order to prevent losing the time and score in case of a power outage during a game.
4. Prevent the sunlight, which might come through the windows from disturbing the players during games and practices.

12.2 HVAC (Heating, Ventilation, Air Conditioning)

The organiser is responsible for:

1. System control and maintenance.
2. Check the system to determine whether the power installation will be enough to carry on a long-term overloaded usage.

12.3 Sound and Announcing System

The sound and announcing system must be well-maintained. If there is no system in place, then a portable system should be set up. The Local Organising Committee should provide a laptop and adapt the system for music.

The Public Announcement staff shall have a sufficient knowledge of English.

Note: The anthems will be provided by Virtus and shall be no longer than seventy-five (75) seconds in length.

13. Tribune and Seating Plan

1. One hundred (100) reserved seats in close proximity to the playing court for players and team members.
2. Between two-hundred fifty (250) and four-hundred (400) seats are necessary to be reserved for the Final. The number of total seats depends on the number of participating teams and shall be approved by Virtus.
3. Security control for the people who have no access to this section.

Chapter IV: Meetings

14. Site Visit

When: at least four (4) months before the event and potentially a second visit may be required.

Where: in all of the organising cities

Attendance:

Organiser: Event manager

Virtus: Competition manager, Event manager

Others: Hosting National Federation representative, local authorities

Agenda: Visit the facilities (arenas, hotels), review compliance with the event manual, and take necessary steps for improvement, if required.

Costs: All travel expenses are covered by the LOC.

15. Technical Meetings

Where: All technical meetings shall take place at the team hotel.

Attendance: Commissioners, referee instructors, supervisory doctor, Virtus management and staff, representative of the organiser and team representatives who must be fluent in English, shall attend the technical meetings. It is an obligation for all heads of delegations to attend.

15.1 First Technical Meeting

1. The First Technical Meeting shall take place one (1) day before the games start at the team hotel. The time of the Technical Meeting shall be determined by the organiser in conjunction with the crew chief commissioner and Virtus staff in advance and communicated to the participating teams as part of the first bulletin so the travel plan of the team can be made accordingly to enable them to attend the meeting.
2. The Virtus management and staff, the commissioners, the supervisory doctor and the representative of the organiser should have a 'get together meeting' at least thirty (30) minutes before the Technical Meeting starts.
3. The crew chief commissioner together with the Event/Competition Manager on site will conduct the Technical Meeting.
4. As soon as the time of the meeting is determined, the heads of delegations must receive a written invitation from the organiser for the First Technical Meeting with the following information:
 - a) Date, time and place (room) of the meeting
 - b) Number and title of persons per delegation requested to participate in the meeting
 - c) Agenda of the meeting
 - d) Reminder that the following must be brought to the meeting:
 - Final team delegation roster form.
 - Collective entry forms with signatures of all twelve (12) players (incl. parents' signature for minors), all coaches and delegation members.
 - Passports of all twelve (12) players, all coaches and delegation members.
 - One (1) sample set of each uniform (light and dark), one (1) warm-up/shooting shirt.

Note 1: For the recommended detailed agenda of the Technical Meeting, please refer to Annex III.

Note 2: It is strongly recommended to organise a team doctors/medical meeting one (1) day before the competition starts at teams' hotel.

15.2 Second Technical Meeting

1. The Second Technical Meeting shall take place on the first rest day at the teams' hotel. The time of the Technical Meeting will be determined by the crew chief commissioner and Virtus staff, and announced timely.
2. The crew chief commissioner together with the Event/Competition Manager on site will conduct the technical meeting.
3. As soon as the time of the meeting is determined the heads of delegations must receive a written invitation from the organiser for the Second Technical Meeting with the following information:
 - a) Date, time and place (room) of the meeting.
 - b) Number and positions of persons per team requested to participate in the meeting.
 - c) Agenda of the meeting.
4. The recommended agenda should be as follows:
 - a) Welcome, roll call of the participating teams by the crew chief commissioner.

Section 7: Sport and Championship Specifications

7.3a Sport and Virtus Championship Specifications – Basketball

- b) Information and programme of the rest of the tournament including closing ceremony.
- c) Questions.
- d) Conflict resolution (if any) by the crew chief commissioner.
- e) Final words by the representative of the organiser.
- f) Closure of the meeting by the crew chief commissioner.

15.3 Coaches and Referee Instructors Meeting

The meeting of the coaching staff and the referee instructors must take place immediately after the conclusion of the First Technical Meeting. The time and place of the meeting of all participating teams will be determined by the crew chief commissioner and the Virtus staff, and announced by the organiser in the First Bulletin.

15.4 Team Doctor's Meeting

It is strongly recommended to organise a meeting with the team doctors and the medical coordinator of the LOC on the same day as the First Technical meeting in the team's hotel. Detailed information of the time and place of the meeting must be communicated by the organiser in the First Bulletin.

Chapter V: Opening, Closing Ceremonies and Awards

The Opening and Closing Ceremonies shall be part of the “Activity Plan” but **must** always be in accordance with the Virtus protocol. The exact format of both ceremonies **must** be proposed by the organiser to Virtus for final approval.

16. Opening Ceremony

It is mandatory to organise an Opening Ceremony and it must fulfil the Virtus protocol guide.

The time and program of the Opening Ceremony shall be announced to the participants in advance, in the 1st bulletin.

The Opening Ceremony can be organised before the 1st game of the home team and can only last a maximum of fifteen (15) minutes including all speeches and the start of the first game **must** allow a proper warm-up period (twenty (20) minutes).

The names and the flags of the participating countries must appear during the Opening Ceremony.

16.1 Attendance

In the case of a player or team involvement, the teams should be informed in writing in advance.

1. Teams

It is not obligatory that all teams attend the Opening Ceremony. In case teams want to attend, the organiser must provide transportation. The involvement of players must be limited to a maximum of sixty (60) minutes.

2. Officials

All commissioners are required to attend the Opening Ceremony.

16.2 Operation

1. **Speakers** (two (2) speeches or with prior approval by Virtus a maximum of three (3) as short as possible and in the order below):

- The region’s most highly ranked civil official.
- The representative of the organising National Member Organisation.
- Virtus representative.

2. Entertainment

- It is recommended to have authentic activities/events of the country or region.
- It is recommended that there is music at the Opening Ceremony.

Note: In addition to the short Opening Ceremony, the organiser can (but is not obliged) arrange an inauguration on the day before the beginning of the tournament.

17. Closing Ceremony

The time and the program of the Closing Ceremony shall be announced to the participants in advance at the 2nd Technical Meeting (please see Chapter VI).

1. Three (3) podiums shall be produced with sufficient space (for a maximum of twenty-one (21) persons). Ideal measurements are: 7 m - 8 m length, 0.8 m – 1.5 m width; heights ideally 0.2, 0.4 and 0.6 m. The podium should be produced with strong material able to support the participating teams who step onto it for the Closing Ceremony. It shall also be considered that this podium is as portable and easy to carry as it is strong. These podiums must be approved by Virtus by no later than the start of the competition.
2. The podium **must** be free of advertising and any sponsor logo is prohibited. The event logo **must** appear. The layout **must** be approved by Virtus.

For the Closing Ceremony, the celebration time of the winning team shall be considered, and the start of the ceremony shall be according to that celebration time.

It is compulsory to organise a rehearsal of the Closing Ceremony no later than the day before. Please find a detailed Closing Ceremony procedure in Annex IV.

17.1 Attendance

1. The following people **must** be present at the Closing Ceremony:
 - All players and delegates of the first three (3) placed teams.
 - All players receiving awards.

Section 7: Sport and Championship Specifications

7.3a Sport and Virtus Championship Specifications – Basketball

2.
 - All players and delegates of the remaining teams participating in the competition.
2. All commissioners and referees are required to attend the Closing Ceremony.

The organiser is responsible to arrange the transportation to and from the hotel to the venues in each case, unless they informed the crew chief commissioner that they have to leave to return home.

17.2 Operation

Note: It shall be co-ordinated with the Virtus management and staff before the ceremony which person(s) will present the awards, medals and the trophy.

1. **Teams**
 - Teams enter the court with music and take their places behind the podium according to their ranks; teams will be announced by country names and introduced to the spectators as they come onto the court.
 - The individual awards **must** be presented before the medals. The awards will be presented in the following order:
 - a. Organiser Award
 - b. Fair Play Award
 - c. Most Valuable Player (MVP)
 - d. All-Star Three/Five
 - The players of the teams will step onto the podium as their teams' placing is announced in the following order: 3rd place, 2nd place and 1st place.
 - The medals will be presented (see Annex IV).
 - Playing of the national anthem of the winning team as the flags of the countries placed 1st, 2nd and 3rd are raised.
 - The trophy will be presented.
2. **Virtus Officiating Team**
Commissioners and referees are present outside the court.
3. **No speeches** besides the announcements.

18. Trophy and Awards

18.1 Organiser Award

This award is given to the local organisers in expression of gratitude by Virtus for organising the event.

18.2 Fair Play Award

In order to recognise outstanding sportsmanship, a Fair Play Award can be awarded to a player or in exceptional cases to a team. The award will be provided by Virtus. The Virtus staff and the organiser, will decide on a potential recipient.

18.3 All-Star Three/Five and Most Valuable Player

In order to recognise and to promote the best players of the event, an All-Star Three/Five and an MVP (who must also be a member of the All-Star Three/Five) **will** be selected and presented with an award provided by Virtus. **No** other awards may be presented by the organiser.

The head coach of each participating team will be invited to vote for the All-Star Three/Five. The organiser will ensure that each head coach receives a ballot form provided by Virtus and will be responsible for collecting the forms before the final game. In the case of a tie, Virtus shall have the deciding vote.

18.4 Medals

The organiser shall provide medals for the first three (3) teams. The layout of the medals **must** be prior approved by Virtus.

1. It shall be planned to have at least: for 5x5 – sixteen (16) medals for each team in gold, silver and bronze; for 3x3 – nine (9) medals for each team in gold, silver and bronze.
2. On the medals shall be written the name of the Championship, the dates, the place of the organisation and the Virtus/event logo and/or name.
3. No sponsor shall appear on the medal itself or on the lanyard of the medal.
4. The organiser shall provide Virtus with two (2) sets of the medals for its archive.

18.5 Champion's Trophy

Section 7: Sport and Championship Specifications

7.3a Sport and Virtus Championship Specifications – Basketball

The trophy will be provided by Virtus to be given to the winning team.

Chapter VI: Branding

19. Branding

19.1 Court Design and Floor Stickers

Virtus has the sole right to determine what is placed on any part of the playing court (eg, in the centre circle, free throw-circles, on the further boundary line, etc) during the event. Please see also the court layout in Annex I. This layout may change for the requirements of Virtus **only**. Virtus shall be responsible for the design and the LOC the production costs of the Virtus floor stickers.

The organiser shall be responsible for the application of the stickers onto the playing court(s) under the supervision of Virtus staff as well as stickers for further boundary line.

19.2 Backboard Stickers

The Virtus logo should appear on the bottom right corner of the backboard, the clean game sticker should appear in the bottom left corner.

The stickers shall be applied to all of the backboards used for all games and training sessions. **No** other stickers shall be permitted on the backboard or basket during the event, unless required by Virtus.

19.3 Signs

1. All areas in the arena for team delegations, media, participants and spectators shall be clearly sign-posted.
2. Fixed labels for areas such as offices, referee changing rooms, media tribune, meeting room, doping control station, etc.
3. Changeable labels for team's changing rooms according to the games and teams using the rooms.
4. Restricted areas according to their specifications and labels to show who has access.
