

Dear ski friends,

We are pleased to give you some brief information about this Virtus open alpine Ski competition:

we would like to start with an additional race series and begin with the 1st race, from 26 - 28 January in Jerzens in the Pitztal. There will then be the second race, organised by Italy, from 31 January to 2 February and then the third race in France, from 21 - 23 March. The race series is organised as part of the national championships. We would like to discuss the details of this series with you all in Poland, so we are starting with this demo version now.

For the drafting of the rankings:

**1st** place will be awarded 100 points, **2nd** - 75 points, **3rd** - 50 points, **4th** – 40 points, **5th** - 30 points, **6th** - 20 points, **7th** - 10 points, “for each individual discipline”.

- All athletes can participate in all the races scheduled in the different nations
- To compose the final ranking, athletes must participate minimum of two of the competitions
- To compile the final results, the points from the two best races per disciplines (SL-GS-SG) will be added together.
